

CertainTeed
ShingleMaster™ Company

This is to certify that

Sahlem's Roofing & Siding

is hereby recognized as a ShingleMaster™
and therefore can offer the SureStart™ PLUS 3-STAR and
4-STAR Coverage warranty extensions.

This company has achieved ShingleMaster™ status by employing a Master Shingle Applicator™-qualified workforce (including one job supervisor and at least two installers) or by attending a ShingleMaster Credential Course.

The Master Shingle Applicator qualification is based on the *CertainTeed Shingle Applicator's Manual* test. This publication discusses the complex requirements and recommendations for the installation of a high-quality shingle roof system. The ShingleMaster Credential Course covers an overview of CertainTeed roofing products, proper application standards, and a review of shingle technology and quality. Renewal is required every two years.
