Lisa Valent has earned Summa Cum Laude and Dean's Medal for Excellence

Lisa Valent, a 2006 graduate of the State University College of Buffalo has earned the title, Summa Cum Laude and the Dean's Medal for Excellence in English. This prestigious award is the highest honor that the Arts and Humanities faculty can give a graduating senior. She has also earned the Dean's Certificate of Excellence for three consecutive years running in recognition of her outstanding academic achievements. Miss Valent has received a Bachelor of Science in Secondary English Education and a New York State Training Certificate for grades 7-12.

She is the daughter of Michael and Valerie Valent of West Seneca. Miss Valent is a graduate of West Seneca East Senior High School. She is currently pursuing a Master's degree in English Education and plans to seek an Advanced Certificate in Educational Administration at The University at Buffalo.

GOOD NEWS ABOUT LOCAL PEOPLE

LOCAL PEOPLE DOING WELL - EXCITING NEWS ABOUT THEIR SUCCESS!

State of the Art Computer Aided Kitchen & Bath Design at Sahlem's

Most customers find their way to Sahlem's Home Design through already satisfied customers, designers and contractors. Located at 2260 Southwestern Boulevard in West Seneca, the modern, easy to shop showroom is the perfect place to see displays produced by Sahlem's designers. These vignettes highlight Fieldstone Cabinetry, Marsh Cabinetry and Richmaid Cabinetry in many styles, components and colors. Any taste in decorating and lifestyle can be accommodated. Other fine products include Asko Dishwashers, the quietest one available with a large capacity, Wolf and Sub-zero appliances which are appreciated by folks with culinary interests, Franke sinks and faucets, and Corian and Granite countertops in many patterns and hues which are new to the market. Features like easy glide pot and pan drawers, dish racks, open glass display units, wine chilling cabinets and European design elements make building a kitchen a pleasure, and living with it afterwards comfortable and enjoyable.

The virtual computer helps aid in room layout and design work. Sahlem's uses it to help customers make informed decisions about the final outcome that they have in mind for their new kitchen or bath. The system makes it possible to walk visually through the design and edit the look as you go. Customers say that it gives them a true idea of how the space will look and more confidence in making decisions on color choices and styles.

Doug McCormick, manager of Sahlem's, has eighteen years in kitchen design experience. There is a lot of product knowledge and construction knowledge backing up each Sahlem design. Mr. McCormick was born, raised and currently resides in West Seneca with his wife and three children. They are members of Queen of Heaven Church.

When you are ready to move on to a new kitchen or bath, contact Sahlem's first. See how virtual design, quality products and a wealth of experience can make the difference. You will love your new room! Call Sahlem's for a consultation at 662-0062. You can contact Sahlem's by email at dsdmm@adelphia.net

Designers at Sahlem's can lead a customer through a virtual design of their future kitchen with color and patterns.

A European inspired kitchen display allows a customer to have a hands on look at products.
